Application for SCMOI enrolment

For students intending to enrol in Tabor courses

SCMOI offers tertiary award programs through an arrangement with Tabor College. Accordingly, for academic purposes SCMOI students are categorised as Tabor students. This does not affect the course content offered by SCMOI. As an enrolled member of SCMOI you will be expected to comply with the ethos of the Institute and to be subject to the reasonable directives of the Institute, at the same time being subject to the applicable policies of Tabor College.

Please read the following information before completing this form.

1. This form is for enrolment as a student of SCMOI. After acceptance by SCMOI you will be required to enrol with Tabor for the award course you choose. Please DO NOT proceed with Tabor enrolment until advised by SCMOI.
2. If approved, your enrolment with SCMOI will remain current for the duration of the Tabor course in which you enrol. However, SCMOI enrolment will conclude when you notify us of your intention not to continue a course with SCMOI, or lapse if you do not enrol in Tabor units for two consecutive semesters.
3. Undergraduate students at SCMOI are enrolled in either the Clergy (in-service/pre-service) Track, or the Faith and Life Track. To be enrolled in the Clergy Track, whether as a cleric or pre-service candidate, written confirmation of your Ruling Bishop's blessing to do so must be provided.
4. Applicants may be contacted to arrange a short interview with the Institute Principal prior to the finalisation of their SCMOI enrolment.
5. SCMOI reserves the right to accept or to reject any application for enrolment as a student of the Institute.

When completed and signed, this form should be emailed to info@scmoi.edu.au
